DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eddie Scott on 01/04/05.

The application has been amended as follows:

- Claim 6, line 11: delete "first" after 'said'.
- Claim 7, line 11: delete "said" after 'wherein' and insert – the – after 'wherein'.
- Claim 8, line 1: delete "said" after 'wherein'.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claims 1 and 6-7 have been allowed over the Zapata, Kawamura, and Ragle prior art because they fail to teach a layered coating on at least some of said

polished surfaces that are used to transport pump light by internal reflection of said laser gain medium, said layered coating comprising a first inner material coating layer, said first inner material coating layer comprising a transparent coating, and a second absorptive scattering outside material coating layer, said second absorptive scattering outside material coating layer comprising an absorptive layer or a scattering layer or both an absorptive layer and a scattering layer, wherein said layered coating is configured to substantially reflect the pump light that strikes the layered coating so as to direct the pump light back into said laser gain medium, and substantially transmit said amplified spontaneous emission and/or parasitic light that strikes the layered coating so as to let this light strike said outside material coating layer of said layered coating where it is scattered or absorbed or both scattered and absorbed.

Claims 2-5 and 8 have been found allowable due to their dependency on claims 1 and 6-7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
